

Weekly Information & Communication

Weekly WIC Newsletter

March 6, 2017

Super User Call 2/27/17

We had a super user call last week. The minutes, Power Point, and recording are located on the [eWIC training page](#) on the website. If you have questions, please contact [Lacy](#).

Local Agency Survey

If you have not already, please take a moment to fill out the Local Agency Survey and provide feedback to the State Office regarding how we can improve our services to you. We take your responses seriously, and value the opportunity to learn what we are doing well, and how we can improve. [Take the brief and confidential survey here.](#)

Nutrition Training

On March 2nd we had nutrition training. The topic covered was [SOAP Notes and Documentation](#). This training was about 45 minutes. Thanks to everyone who attended. The next training will be May 4th. The Topic for that training will be Food Package Changes. If you have any questions regarding these trainings please contact [Lacy](#).

SIS Website Address Change

On March 20, the SIS website will be moved to a new server, which means that the address will change.

The new SIS address will be pushed out to computers that are on the state network. Any clinics or computers not on the state network will need to update their shortcuts. Please contact the WIC Help Desk (1-800-433-4298, opt 1) to get the new address, which will be in the newsletter on March 20.

Weekly Risk Code Highlight

[Risk Code 311](#). History of Preterm Delivery is defined as the birth of an infant at ≤ 37 weeks gestation for the following:

Category	Pregnancy
Pregnant Women	Any history of preterm delivery
Breastfeeding/Non-Breastfeeding	Most recent pregnancy

This institution is an equal opportunity provider.

Help us keep the distribution list updated - send e-mail address changes, additions and deletions to the WIC State Office at 1-800-433-4298.
